# CHAIR-HEIGHT PROTECTION PANELS

Portfolio 71 Protection Panels: a chair divider system manufactured in the USA with durable and hygienic Corian® Solid Surface for quick and easy creation of safe and healthy spaces.

Unlike plexiglass dividers, Protection Panels made of easy-to-clean Solid Surface will not lose their luster by becoming scratched or cloudy. Protection Panels also maintain a safe environment as they are stabilized with a wide footprint that allows for an easy, mobile setup that does not tip over.
