

SEMI-CUSTOM & READY-TO-INSTALL

WALL-HEIGHT PROTECTION PANELS

Portfolio 71 Protection Panels: a 72" wall divider system manufactured in the USA with durable and hygienic Corian® Solid Surface for quick and easy creation of safe and healthy spaces.

Unlike plexiglass dividers, Protection Panels made of easy-to-clean Solid Surface will not lose their luster by becoming scratched or cloudy. Protection Panels securely lock together and can be utilized to create divisions and barriers in workspaces, educational settings, and correctional institutions. They can even be configured for temporary exam and testing rooms.
